EXAMINER'S AMENDMENT

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

Non-initialed and/or non-dated alterations have been made to the oath or declaration. See 37 CFR 1.52(c).

There is no initial by the change to the first inventor's name.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Patrick Ikehara on 2/28/05. The application has been amended as follows:

The Abstract has been shortened and all legal terminology has been removed. A copy of the new abstract is attached.

The specification has been amended as follows:

- In paragraph [0054] on line 2 the number "(3)" is deleted
- In paragraph [0054] on line 2 the number -- (13) -- is inserted after the word "collar."

- In paragraph [0058] on line 1 the word "fisher" is deleted.
- In paragraph [0058] on line 1 the word -- further -- is inserted after the word "is."

Claim 1 has been canceled

Claim 2 has been amended as follows:

- In line 3 the words "and a bush at the distal end" have been deleted and the comma after the word "end" has been removed.
- In line 3 the word -- and -- has been inserted after the phrase "a proximal end."

The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest the use of a trocar actuator with a combination of all of the claimed structural components. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher D Prone whose telephone number is (571) 272-6085. The examiner can normally be reached on Monday Through Fri 8:30 to 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott can be reached on (571) 272-6085. The fax phone
